## **HSEMD Mission**

*Lead, coordinate and support homeland security and emergency management functions in order to establish sustainable communities and ensure economic opportunities for Iowa and its citizens.*

## **HSEMD Goals**

- **Prevent** the impacts of hazards and incidents.
- **Protect** people and property from the consequences of hazards and threats.
- Provide coordinated **response** to hazards and threats.
- Provide a coordinated **recovery** effort for the consequences of incidents.
- Ensure that all stakeholders have the **resources** necessary to implement these goals.

## CY 2010 Disaster Response

Four Presidential Disaster Declarations for winter storms, flooding, tornadoes and severe storms during CY 2010.

Two separate disasters in 2010 – January winter storms and June-August storms, tornadoes and flooding -- exceeded 1993 in FEMA programmatic dollars.

HSEMD's joint planning, exercise, training efforts resulted in a better coordinated and managed response at state and local levels.

## **June-August 2010, HSEMD coordination of response efforts included:**

- 23 semi loads of water to residents of Ames and Colfax after flooding compromised their water supplies.
- Department of Corrections inmates to numerous communities to aid in debris removal.
- Department of Transportation dump trucks and other equipment to aid in debris removal and community cleanup.
- Department of Human Services Behavioral Health Response Teams to provide counseling to impacted Iowans.
- 2,700 feet of portable flood barrier to hold back flood waters in several communities.
- Dive team to ensure safety of Oskaloosa water supply.

## Disaster Recovery

Two 2010 disasters exceeded 1993 in FEMA recovery program monies – January winter storms and June-August storms, tornadoes and flooding.

HSEMD currently managing 10 separate disasters that occurred between 2007-2010.

Will bring an estimated \$2.2 billion in funding into Iowa economy over the next five to seven years. \$560 million has been expended.

Federal funding used to rebuild public infrastructure and communities and put in place measures to reduce loss of life and property due to natural disasters.

## E-911

HSEMD coordinates wireless and wireline E-911 programs.

- Manages and administers funding to support Iowa's wireless 911 network.

U.S. Department of Transportation Next Generation 911 Grant -- \$1.3 million

- Conversion of existing wireless 911 network to IP-based technologies to support text and video.

## Looking Forward

Continue to actively ***plan and prepare*** for all hazards, natural and human-caused.

Continue to ***assist communities*** as they recover.

Ongoing mitigation projects to ***limit impacts*** from flooding and winter storms.
